	9	10 1/4"
	9 1/2	10 7/16"
	10	10 9/16"

Here are a few tips to assist in selecting the correct size:

- Take measurements in the socks that will be used while skating.
- Stand on a sheet of paper.
- Have someone else place a mark at your longest toe and at your heel. The pen should be straight up and down to determine the proper length.
- Remove the foot and measure the distance between both marks in inches; repeat with your second foot.
- Using the longer measurement of your two feet, select the most appropriate size.
- If between sizes, select the larger size.
- All skates are provided in Medium Width only.

Please Note:

- Do not use shoe size as a reference, skate sizes are different than shoe sizes.
- Skates generally have a snug fit to ensure the foot does not move while skating; this type of fit may not suit everyone
- Kids may need one size larger to allow for growth.

Riedell® SIZING GUIDE

We recommend having an authorized Riedell skate fitter assist you in proper sizing if your skates (visit **ice.riedellskates.com** to find a dealer nearest you). If that option is notreadily available, print out this document and follow the stop by stop instructions as a guide to help you find your Riedell Size.

Tips

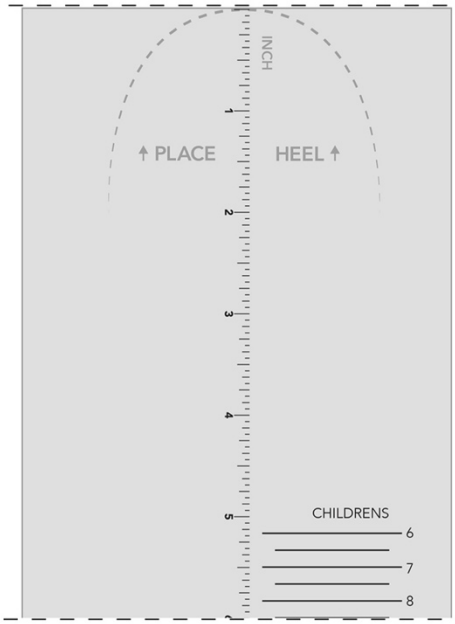

MEASURE DURING MID-DAY
Feet can be different sizes at various times during the day.

HAVE A FRIEND HELP
You will get more accurate measurements with help.

WEAR NORMAL SKATES SOCKS
Wear socks you typically skate in - or none if you skate barefoot.

STAND UP WHEN MEASURING LENGTH
Stand straight with equal weight on both feet and do not lean on or away from foot being measured.

SIT DOWN WHEN MEASURING WIDTH
Sit straight with equal weight on both feet and do not lean on or away from the foot being measured.

D Fold at dotted line

Foot Measurements E

	Right	Left
Length		
Width		
Width Letter		

IMPORTANT PRINTING NOTE:
Be sure your printer scale settings are at 100% or Actual Size.

A B C

Step 1

Cut or fold at dotted lines A and align pages so that B and C form a circle and are the size of a quarter and tape pages together. Please make sure to check the scaling of the Guide by placing a ruler (in inches) next to the one on the bottom of the this sheet F.

If scaling is off, be sure printer settings are at 100% or actual size.

Step 2

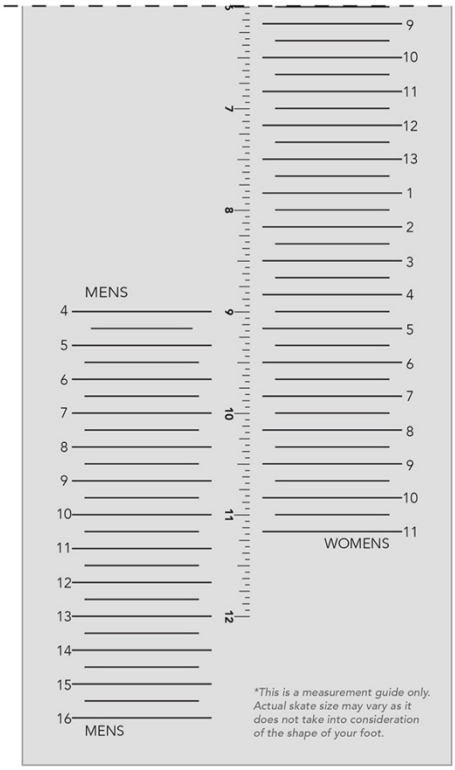

Fold at dotted line D and place sizer against a closed door.

Step 3

Place heel on the sizing guide with your back firmly against the door. Have friend measure the length of your foot to the longest toe and record your inch and number (Men's, Women's, or Children's) measurement in table E.

Repeat for other foot.

F Cut below dotted line, if tape measure is needed for width measurement

Step 4

Sit in a chair with both feet on the floor, and have a friend measure your foot width at the ball of your foot. Use a tape measurer or the paper tape measure provided at the bottom of this sheet F. Measure the ball width of your foot at its widest part as shown. Record your width measurement in table E.

Repeat for other foot.

Step 5

Use the longest size for Right or Left foot and take your widest foot measurement. Using the measurements taken for each foot, find your width by referencing the Width Charts found on page 3 and 4 of this PDF.

Note: Your Riedell skate size is the longest of your 2 length measurements and the wider of your 2 width measurements of your feet.

Karisma

Karisma apparel features a technical "Second Skin" cut designed to move with you on the ice. The fabric will hug the body tightly to support movement and retain warmth. Please expect a **high-compression**, **performance fit** that feels much closer-fitting than other traditional brands.

To ensure the correct fit, please measure carefully and use your current **Weight and Height** to find your match in the table below, as our technical sizing differs from everyday apparel.

If your measurements fall between two sizes, we recommend choosing the larger size for a more comfortable fit, or the smaller size for a tighter, performance fit.

Still unsure? Tap "Contact Us" in the top menu, and we'll help you find the perfect fit.
